

Help support FBRN by saving your empty ink and toner cartridges!

FBRN is registered with the following cartridge recycling company---

<http://www.cash4cartridgesusa.com>

You need to have a minimum of 10 cartridges before you can send them in. Spread the word among your friends, family and colleagues and ask them to pass along their empties to you. Cash4cartridges pays all postage fees when you send in your cartridges.

Here's what you do...

- ❖ Go to the above website and click on the registration link at the top of the page.
- ❖ In the "Make Checks Payable To" space, fill in French Bulldog Rescue Network. Payment will be sent directly to FBRN.
- ❖ Once you've registered and are ready to send in your cartridges, click login at the top of the site page.
 - ✓ On the welcome page under "send in your cartridges", click via our website.
 - ✓ Scroll down and hit continue on the next page and that will take you to the shipment form.
 - ✓ When you have completed and submitted the form, you will receive a confirmation e-mail followed by another e-mail within 24 hours containing a link to your FedEx Shipping Label.

Here is the price list of cartridges that qualify for recycling:

In addition to helping FBRN, you will be helping to save our environment by recycling!

- ❖ 48 percent of people throw their ink cartridges into the trash.
- ❖ One printer cartridge thrown into a landfill can take up to 450 years to decompose.
- ❖ More than 300 million cartridges end up in landfills every year--that's almost eight cartridges thrown away in the United States every second.
